

ACCOMMODATION

The International Cooperation Unit will be happy to assist you in finding accommodation in Kraków. Please inform us of your requirements preferably three months before your arrival.

The monthly rent prices in Poland are as follows: a one-room bedsit/studio typically costs between 1,800-2,500 PLN, while a two- or three-room apartment generally ranges from 2,500 to 3,500 PLN. Accommodation in the city center is usually more expensive, and a well-furnished studio could even cost up to 4,500 PLN.

There are several websites where you can find accommodation offers, such as:

Word of Advice:

Always make sure to rent a flat with a contract, as you will need it for your documentation. The landlord is responsible for preparing the contract in two copies.
