

Getting to our workshop

Venue & Travel Information

Conference Venue: The Tomaszowice Manor Estate – Krakow Conference Center

The **Tomaszowice Manor Estate – Krakow Conference Center** (dwor.pl) is a unique **nineteenth-century manor and park complex**, located just outside Krakow's main urban area. It offers a peaceful and inspiring setting for the workshop while being conveniently close to the city.

The venue is approximately **20 minutes by taxi** from Krakow's Historic Centre and is also **accessible by public transportation**.

Getting to Krakow

By Air

Krakow is served by **John Paul II Krakow Airport** (krakowairport.pl), located **just 12 km from the workshop venue** (about **15 minutes by taxi**).

From the airport, you can reach the venue by:

- The **official airport taxi** ([link](#)) – reliable but relatively expensive.
- **Radio taxi companies** such as **Wawel Taxi** (waweltaxi.pl).
- **UBER and BOLT** – **these services work well** in Krakow and are generally **cheaper than traditional taxis**.

Important: It is unnecessary to travel to Krakow city center first—our venue is **closer to the airport** than to downtown Krakow.

By Train

If arriving by train, buy a ticket to **Krakow Main Station (Kraków Główny)**. From there, take a taxi directly to **Tomaszowice Manor Estate – Krakow Conference Center**. You can:

- **Call a radio taxi** (e.g., **Wawel Taxi**: waweltaxi.pl)
- **Use UBER or BOLT**

If taking a taxi from the street, confirm the price in advance—**90 PLN (~20 EUR) is a fair fare**.

By Public Transport

Our venue is served by **city bus number 230**, which departs from **Bronowice Małe**, a major transport hub in Krakow. You can **easily reach Bronowice Małe from the main train station** using multiple tram and bus connections.

Other Airport Options

- **Katowice Airport (KTW)** – Located about **80 km from Krakow**, but reaching our venue from there can be **time-consuming and expensive**.
- **Warsaw Airport (WAW)** – **Not recommended**.

By Car

Driving to Krakow is an option, but requires **careful planning**, as distances from other major Polish cities are:

- **Wroclaw – Krakow:** 270 km
- **Warsaw – Krakow:** 290 km
- **Poznan – Krakow:** 460 km
- **Gdansk – Krakow:** 580 km

While this could be an opportunity to explore Poland, please **factor in travel time** accordingly.

We Look Forward to Seeing You in Krakow!

The **workshop opens on May 26, 2025**. Please plan to attend the entire conference.
